

Table of Contents

Acronyms and Abbreviations..... 5

Introduction 7

Summary..... 9

Overview of Microgrids..... 11

The Current State of the Electric Grid..... 11

What is the Supergrid? 12

What is the Dispersed Grid?..... 14

What is a Microgrid? 14

Differences in Microgrids 17

The Impact of Microgrids..... 18

How do Microgrids Interact with the Grid?..... 18

Benefits of Microgrids 19

Overcoming Barriers to the Implementation of Microgrids.....20

The Market for Microgrids 22

The Potential of Microgrids22

The Economics of Microgrids.....24

Financing Microgrids Through an Energy Improvement District26

Current Microgrid Activities 27

Major Microgrid Research Efforts27

 EU More Microgrids27

 BCIT Intelligent Microgrid.....28

 CERTS Microgrid29

 Energy Surety Microgrid.....30

Major Microgrid Projects 31

 Aichi Microgrid.....31

 Ansonia Microgrid32

 Aomori Microgrid32

 Bornholm Microgrid33

 Borrego Springs33

 Colonias Microgrid34

 Continuon Microgrid34

Drexel University Microgrid	34
Ft. Bliss Microgrid.....	35
Ft. Bragg Microgrid.....	35
Golden Energy Storage Project	36
Horizon Microgrid	36
Hoogkerk Microgrid	37
Howard University Microgrid	37
ITT Smart Microgrid	37
Kyotango Microgrid	38
Kythnos Microgrid	38
Los Alamos Microgrid.....	39
Marin County Microgrid	39
Miyako Island Microgrid	39
Pecan Street Microgrid.....	40
Sendai Microgrid	40
SMUD Microgrid.....	41
Stamford Microgrid.....	41
Twentynine Palms.....	41
UCSD Microgrid	42
Glossary	43
